Club. The system is so simple D.R. has taught it to sixth graders, yet so powerful it can transform even a small starting stake into lifelong financial freedom – in a way that utterly destroys “ buy-and-hold ” investing. Loaded with step-by-step illustrations and personal stories, the 10-Minute Millionaire takes the powerful secrets of Wall Street insiders and breaks them down into an easy-to-understand blueprint for beating the markets, day after day, week after week. Using an easy three-step process, D.R. walks you through a repeatable and reliable way to identify the stock-market extremes that show up virtually every day. He trains you to properly frame each trade to maximize profit and minimize risk. Finally, he neutralizes the natural biases that lead most traders to financial destruction – and shows you how to book big profits from other trader ’ s irrational miscues. But it squeezes out emotion, filters out the noise, slashes the risk, and maximizes your potential for profits – and also for meaningful wealth. Once you learn the 10-Minute Millionaire way, it ’ s a system you can operate and update in tiny 10-minute increments. Before you know it, you ’ ll be trading better than a seasoned pro. And you ’ ll watch as your “ assets ” turn into true wealth. And you ’ ll learn the most-valuable lesson of all: Becoming a millionaire doesn ’ t have to be an unattainable dream. Make it a goal, and pursue that goal, and before long that dream will be real.

life of financial struggle? Is the difference found in their education, intelligence, skills, timing, work habits, contacts, luck, or their choice of jobs, businesses, or investments? The shocking answer is: None of the above! In his groundbreaking *Secrets of the Millionaire Mind*, T. Harv Eker states: "Give me five minutes, and I can predict your financial future for the rest of your life!" Eker does this by identifying your "money and success blueprint." We all have a personal money blueprint ingrained in our subconscious minds, and it is this blueprint, more than anything, that will determine our financial lives. You can know everything about marketing, sales, negotiations, stocks, real estate, and the world of finance, but if your money blueprint is not set for a high level of success, you will never have a lot of money—and if somehow you do, you will most likely lose it! The good news is that now you can actually reset your

money blueprint to create natural and automatic success. Secrets of the Millionaire Mind is two books in one. Part I explains how your money blueprint works. Through Eker's rare combination of street smarts, humor, and heart, you will learn how your childhood influences have shaped your financial destiny. You will also learn how to identify your own money blueprint and "revise" it to not only create success but, more important, to keep and continually grow it. In Part II you will be introduced to seventeen "Wealth Files," which describe exactly how rich people think and act differently than most poor and middle-class people. Each Wealth File includes action steps for you to practice in the real world in order to dramatically increase your income and accumulate wealth. If you are not doing as well financially as you would like, you will have to change your money blueprint. Unfortunately your current

money blueprint will tend to stay with you for the rest of your life, unless you identify and revise it, and that's exactly what you will do with the help of this extraordinary book. According to T. Harv Eker, it's simple. If you think like rich people think and do what rich people do, chances are you'll get rich too!

Here's what, Marshall Sylver, "author of "Passion, Profit, and Power" says: "Is your life and everything you want worth 7 minutes per day to you?
