"If you picture the Bible to be a mighty tree and every word a little branch, I have shaken every one of these branches because I wanted to know what it was and what it meant."  
—MARTIN LUTHER A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry. Yet, Christians need to be nourished by the word of God so they can mature in faith and righteousness. Filling this gap, The Branch Exposition of the Bible is a resource for preachers, scholars, and everyday Christians alike, to help open God's word and shed its light into life, ministry and teaching. Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture, and with experience in ministering across Africa, India and the West, Michael A. Eaton helps us understand the meaning of the Bible and taste its fruit. With an Old Testament volume to follow, this exposition of the New Testament accessibly engages with the biblical languages, gives application for our lives, and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture.

Strong reading skills are the basis of school success, and Spectrum Reading for grade 3 will help children triumph over language arts and beyond.
