A Dance to the Music of Time: A Question of Upbringing. a ...

[[A Question of Upbringng]] is the first volume of Anthony Powell's series [[A Dance to the Music of Time]] In it we discover the narrator Jenkins, actually Powell himself, and his friends Templer and Stringham, classmates at a public school, likely based on Eton which Powell himself attended.

'He is, as Proust was before him, the great literary chronicler of his culture in his time.' GUARDIAN 'A Dance to the Music of Time' is universally acknowledged as one of the great works of English literature. Reissued now in this definitive edition, it stands ready to delight and entrance a new generation of readers. In this first volume, Nick Jenkins is introduced to the ebbs and flows of life at boarding school in the 1920s, spent in the company of his friends: Peter Templer, Charles Stringham, and Kenneth Widmerpool. Though their days are filled with visits from relatives and boyish pranks, usually at the expense of their housemaster Le Bas, a disastrous trip in Templer's car threatens their new friendship. As the school year comes to a close, the young men are faced with the prospects of adulthood, and with finding their place in the world.

Who is Widmerpool? This question is to dog Nicholas Jenkins from the time he watched his awkward schoolmate on a solitary crosscountry run. Unexceptional, unsmart, even unpopular, Widmerpool drops in and out of Jenkins life as he moves from school to university and London society. It is the 1920s, and England's gilded youth has begun its dance to the music of time.

Anthony Powell's universally acclaimed epic A Dance to the Music of Time offers a matchless panorama of twentieth-century London. Now, for the first time in decades, readers in the United States can read the books of Dance as they were originally published[[as twelve individual novels]]but with a twenty-first-century twist: they're available only as e-books. A Question of Upbringing (1951) introduces us to the young Nick Jenkins and his housemates at boarding school in the years just after World War I. Boyhood pranks and visits from relatives bring to life the amusements and longueurs of schooldays even as they reveal characters and traits that will follow Jenkins and his friends through adolescence and beyond: Peter Templer, a rich, passionate womanizer; Charles Stringham, aristocratic and louche; and Kenneth Widmerpool, awkward and unhappy, yet strikingly ambitious. By the end of the novel, Jenkins has finished university and is setting out on a life in London; old ties are fraying, new ones are forming, and the first steps of the dance are well underway. "Anthony Powell is the best living English novelist by far. His admirers are addicts, let us face it, held in thrall by a magician."[[Chicago Tribune "A book which creates a world and explores it in depth, which ponders changing relationships and values, which creates brilliantly living and diverse characters and then watches them grow and change in their milieu. . . . Powell's world is as large and as complex as Proust's."[[Elizabeth Janeway, New York Times "One of the most important works of fiction since the Second World War. . . . The novel looked, as it began, something like a comedy of manners; then, for a while, like a tragedy of manners; now like a vastly entertaining, deeply melancholy, yet somehow courageous statement about human experience."[[Naomi Bliven, New Yorker [[The most brilliant and penetrating novelist we have.[[Kingsley Amis [[There is no other work in the annals of European fiction that attempts meticulously to recreate half a century of history, decade by decade, with anything like the emotional precision or details of Powell's twelve volumes. Neither Balzac's panorama of the Restoration, nor Zola's chronicles of the Second Empire, nor Proust's reveries in the Belle Epoque can match a comparable span of time, an attention to variations within it, or a compositional intricacy capable of uniting them into a single narrative. . . . The elegance of this artifice was only compatible with comedy.[[Perry Anderson

"Movement 2. The rumble of distant events in Germany and Spain presages the storm of WWII. In England, even as the whirl of marriages and adulteries, fashions and frivolities, personal triumphs and failures gathers speed, men and women find themselves on the brink of fateful choices.

Anthony Powell's universally acclaimed epic A Dance to the Music of Time offers a matchless panorama of twentieth-century London. Now, for the first time in decades, readers in the United States can read the books of Dance as they were originally published[[as twelve individual novels]]but with a twenty-first-century twist: they're available only as e-books. In the final volume, Hearing Secret Harmonies, Nick and his contemporaries have begun to settle into the quieter stages of later life[[even as the rise of the counterculture signals that a new generation is pushing its way to the front. The darkly fascinating young Scorpio Murtlock unexpectedly draws Widmerpool into his orbit, calling to mind occult and cultish doings from earlier decades; close friends leave the stage, never to be replaced in this life; and, drawing all the long, tangled strands together, Anthony Powell sounds an unforgettable requiem for an age. "Anthony Powell is the best living English novelist by far. His admirers are addicts, let us face it, held in thrall by a magician."[[Chicago Tribune "A book which creates a world and explores it in depth, which ponders changing relationships and values, which creates brilliantly living and diverse characters and then watches them grow and change in their milieu. . . . Powell's world is as large and as complex as Proust's."[[Elizabeth Janeway, New York Times "One of the most important works of fiction since the Second World War. . . . The novel looked, as it began, something like a comedy of manners; then, for a while, like a tragedy of manners; now like a vastly entertaining, deeply melancholy, yet somehow courageous statement about human experience."[[Naomi Bliven, New Yorker [[The most brilliant and penetrating novelist we have.[[Kingsley Amis

The author of the award-winning Matisse: A Life gives us the definitive biography of writer Anthony Powell[[and takes us deep into the heart of twentieth-century London's literary life. Insightful, lively, and entralling, this biography is as much a brilliant tapestry of a seminal era in London's literary life as it is a revelation of an iconic literary figure. Best known for his twelve-volume comic masterpiece, A Dance to the Music of Time, the prolific writer and critic Anthony Powell (1905[[2000) kept company between the two world wars with rowdy, hard-up writers and painters[[and painters' models]]in the London where Augustus John and Wyndham Lewis loomed large. He counted Evelyn Waugh and Henry Green among his lifelong friends, and his circle included the Sitwells, Graham Greene, George Orwell, Philip Larkin, and Kingsley Amis. Drawing on letters, diaries, and interviews, Hilary Spurling[[herself a longtime friend of Powell's as well as an award-winning biographer]]has produced a fresh and powerful portrait of the man and his times.
