Lada Dracul não tem aliados. Nem trono. Tudo o que Lada tem é o que sempre teve: ela mesma. Ao falhar em obter o trono de Valáquia, Lada Dracul deseja punir a todos que ousarem cruzar seu caminho. Movida pela raiva, ela ataca com seus homens. Mas a força bruta não é suficiente para que Lada conquiste o que deseja. Lembrar-se de Mehmed, no entanto, lhe traz algum conforto, mas não há tempo para isso. Ela escolheu deixá-lo antes que ele pudesse fazê-lo. Lada sabe que precisa de toda sutileza e habilidade de seu irmão mais novo, Radu. Porém, Mehmed o enviou para Constantinopla e pretende dominar cidade. Assim, o irmão de Lada ganhou o lugar indesejado de agente duplo nas linhas inimigas... Radu anseia pela confiança feroz da irmã, mas, pela primeira vez em toda a vida, rejeita Lada e seu inesperado apelo por ajuda. Atormentado pela lealdade aos Otomanos e a Mehmed, ele sabe que não deve nada à irmã. Mas, se Lada morrer, jamais perdoará a si mesmo. E, se falhar em Constantinopla, Mehmed irá perdoá-lo? Civilizações desmoronam e os irmãos Dracul precisam decidir: o que irão sacrificar para cumprir seu destino? Nesta deslumbrante continuação da Saga da Conquistadora, impérios serão derrubados, tronos serão conquistados... e almas se perderão.

To build the country she wants, Lada, the brutal ruler of Wallachia, must destroy everything that came before, including her relationships with brother Radu and former love Mehmed, Sultan of the Ottoman Empire.

The New York Times Bestseller! "Absolutely riveting." –Alexandra Bracken, #1 New York Times bestselling author of The Darkest Minds This vividly rendered novel reads like HBO's Game of Thrones . . . if it were set in the Ottoman Empire. Ambitious in scope and intimate in execution, the story's atmospheric setting is rife with political intrigue, with a deftly plotted narrative driven by fiercely passionate characters and a fearsome heroine. Fans of Victoria Aveyard's THE RED QUEEN and Sabaa Tahir's AN EMBER IN THE ASHES won't want to miss this visceral, immersive, and mesmerizing novel, the first in the And I Darken series. NO ONE EXPECTS A PRINCESS TO BE BRUTAL. And Lada Dragwlya likes it that way. Ever since she and her gentle younger brother, Radu, were wrenched from their homeland of Wallachia and abandoned by their father to be raised in the Ottoman courts, Lada has known that being ruthless is the key to survival. She and Radu are doomed to act as pawns in a vicious game, an unseen sword hovering over their every move. For the lineage that makes them special also makes them targets. Lada despises the Ottomans and bides her time, planning her vengeance for the day when she can return to Wallachia and claim her birthright. Radu longs only for a place where he feels safe. And when they meet Mehmed, the defiant and lonely son of the sultan, who's expected to rule a nation, Radu feels that he's made a true friend—and Lada wonders if she's finally found someone worthy of her passion. But Mehmed is heir to the very empire that Lada has sworn to fight against—and that Radu now considers home. Together, Lada, Radu, and Mehmed form a toxic triangle that strains the bonds of love and loyalty to the breaking point. From New York Times bestselling author Kiersten White comes the first book in a dark, sweeping new series in which heads will roll, bodies will be impaled . . . and hearts will be broken. "A dark and twisty fantasy . . . think Game of Thrones, but with teens."—Seventeen "Sinister, suspenseful, and

unapologetically feminist.”–Buzzfeed “Will completely spin you into another time and place.”–Bustle  
“Takes no prisoners, offering up brutal, emotional historical fiction.”–NPR.org An ALA Rainbow List Top  
Ten Selection

In post-apocalyptic New Orleans, now a sanctuary for supernatural beings, a hardened teenager on the  
run searches for the truth about her monstrous heritage and discovers a curse that could ignite the  
ancient war between gods and monsters.

The highly anticipated, mind-blowing New York Times bestselling sequel to Kiersten White’s New York  
Times bestseller, AND I DARKEN—the series that reads like HBO’s Game of Thrones . . . if it were set in  
the Ottoman Empire. A SISTER FILLED WITH RAGE Lada Dracul has no allies. No crown. All she has is what  
she’s always had: herself. After failing to secure the Wallachian throne, Lada is out to punish anyone  
who dares cross her. She storms the countryside with her men, but brute force isn’t getting Lada what  
she wants. And thinking of Mehmed, the defiant Ottoman sultan, brings little comfort to her thorny  
heart. There’s no time to wonder whether he still thinks about her, even loves her. She left him before  
he could leave her. HER BROTHER CAUGHT IN THE CROSSHAIRS Lada needs the support of her diplomatic  
younger brother, Radu. But Mehmed has sent him to Constantinople—and it’s no diplomatic mission. Mehmed  
wants control of the city, and Radu has earned an unwanted place as a double-crossing spy behind enemy  
lines. And for the first time in his life, when Lada asks him for help, he refuses . . . leading his  
sister to make the darkest of choices. THE ULTIMATE POWER PLAY Torn between loyalties to faith, to the  
Ottomans, and to Mehmed, Radu knows he owes Lada nothing. If she dies, he could never forgive  
himself—but if he fails in Constantinople, would Mehmed ever forgive him? As nations fall around them,  
the Dracul siblings must decide: what will they sacrifice to fulfill their destinies? Empires will  
topple, thrones will be won . . . and souls will be lost. Fans of Victoria Aveyard’s THE RED QUEEN and  
Sabaa Tahir’s A TORCH AGAINST THE NIGHT won’t want to miss this riveting and gorgeously written  
novel—the second in the And I Darken series. ★ “Gorgeous, rich, and rewarding.”–Booklist, starred  
review ★ “Absolutely devastating in the best way.”–Kirkus, starred review “A+, 5 knives.”–Amie Kaufman,  
New York Times bestselling co-author of the STARBOUND and ILLUMINAE FILES trilogies “Fierce, epic, and  
crazy fun.”–Melissa Albert, New York Times bestselling author of THE HAZEL WOOD A Teen Choice Book  
Award nominee! Praise for And I Darken: “A dark jewel of a story, one that gleams with fierce, cunning  
characters—absolutely riveting.” –Alexandra Bracken, #1 New York Times bestselling author of Passenger  
“A dark, gritty, and seriously badass epic that will have you dying for more . . . required reading for  
every feminist fantasy fan.” –BuzzFeed “Evocative . . . this book takes no prisoners.” –NPR

NEW YORK TIMES BESTSELLER • This instant classic explores how we can change our lives by changing our  
habits. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY The Wall Street Journal • Financial Times In The  
Power of Habit, award-winning business reporter Charles Duhigg takes us to the thrilling edge of  
scientific discoveries that explain why habits exist and how they can be changed. Distilling vast  
amounts of information into engrossing narratives that take us from the boardrooms of Procter & Gamble  
to the sidelines of the NFL to the front lines of the civil rights movement, Duhigg presents a whole  
new understanding of human nature and its potential. At its core, The Power of Habit contains an  
exhilarating argument: The key to exercising regularly, losing weight, being more productive, and  
achieving success is understanding how habits work. As Duhigg shows, by harnessing this new science, we  
can transform our businesses, our communities, and our lives. With a new Afterword by the author  
“Sharp, provocative, and useful.”–Jim Collins “Few [books] become essential manuals for business and  
living. The Power of Habit is an exception. Charles Duhigg not only explains how habits are formed but  
how to kick bad ones and hang on to the good.”–Financial Times “A flat-out great read.”–David Allen,  
bestselling author of Getting Things Done: The Art of Stress-Free Productivity “You’ll never look at  
yourself, your organization, or your world quite the same way.”–Daniel H. Pink, bestselling author of  
Drive and A Whole New Mind “Entertaining . . . enjoyable . . . fascinating . . . a serious look at the  
science of habit formation and change.”–The New York Times Book Review

Evaluates the significant role being played by technological advances on the formation and experience  
of modern group dynamics, citing such examples as Wikipedia and MySpace to demonstrate the Internet's  
power in bridging geographical and cultural gaps. 40,000 first printing.

¿Quién fue Carlos Castaneda? A casi cincuenta años de la primera edición de Las enseñanzas de Don Juan,  
los pocos datos que se tienen sobre su autor no hacen otra cosa más que aumentar su leyenda. Los  
primeros libros escritos y publicados por Carlos Castaneda tienen como tema excluyente su prolongado  
aprendizaje de la brujería según los dictados de don Juan Matus, el brujo yaqui (chamán) a quien conoce  
en 1960. Don Juan le manifestó que si de veras quería conocer el mundo de aquello que definió como “las  
plantas de poder”, la única manera posible era que se convirtiera en su discípulo y se internara guiado  
por él en el peligroso, extraño y deslumbrante universo de la brujería, el que comprende sólo el  
“hombre de conocimiento”, como el brujo se definió a sí mismo. Castaneda realizó en su primer libro un  
minucioso relato de los estados de percepción no ordinaria que le provocaban las plantas de poder que  
le suministraba su maestro. Asombró al mundo revelando una nueva percepción para el ser humano. Este  
libro es una muestra de que su influencia y vigencia en el pensamiento filosófico del siglo XX siguen  
siendo una realidad.

La biografía definitiva de la que llegó a ser la mujer más poderosa de México, ahora encerrada por la  
justicia mexicana.

La aclamada segunda parte de El juego de Ender, ganadora de los premios Nebula 1986, Hugo 1987 y Locus

1987. Una de las mejores sagas de ciencia ficción jamás publicadas. Después del genocidio de los Insectores, Ender Wiggin desapareció y en su lugar surgió una voz poderosa: la nueva religión de los Portavoces de los muertos, que sirven como sacerdotes a los que no creen en ningún Dios y, sin embargo, creen en los valores de los seres humanos. Han pasado tres mil años desde los hechos de El juego de Ender, pero los efectos del viaje relativista permiten la presencia de un Ender de treinta y cinco años, que será el elemento central en el segundo contacto de los seres humanos con otra raza galáctica. Esta especie, al igual que los Insectores, resulta completamente extraña y, en sus primeros acercamientos a los seres humanos, han causado muertes incomprensibles. Solo Ender, el xenocida, tendrá la valentía de afrontar la verdad.
