Stratford Drive, Meridian, ID 83642, upon completion to receive 40 hours training credit toward certification.

This revised edition retains the exceptional organization and coverage of the previous editions and is designed for the training and certification needs of first-line security officers and supervisors throughout the private and public security industry. * Completely updated with coverage of all core security principles * Course text for the Certified Protection Officer (CPO) Program * Includes all new sections on information security, terrorism awareness, and first response during crises

The Professional Protection Officer: Security Strategies, Tactics and Trends, Second Edition, is the definitive reference and instructional text for career oriented security officers in both the private and public sectors. The first edition originated with the birth of the International Foundation for Protection Officers (IFPO) in 1988, which has been using the book as the official text since that time. Each subsequent edition has brought new and enlightened information to the protection professional. The material in this new edition includes all of the subjects essential to training of protection professionals, and has been updated to reflect new strategies, tactics, and trends in this dynamic field. Written by leading security educators, trainers and consultants, this valuable resource has served as the definitive text for both students and professionals worldwide. This new edition adds critical updates and fresh pedagogy, as well as new diagrams, illustrations, and self assessments. The Professional Protection Officer: Security Strategies, Tactics and Trends is tailored to the training and certification needs of today ' s protection professionals and proves to be the most exciting and progressive edition yet. Information included is designed to reflect the latest trends in the industry and to support and reinforce continued professional development. Concludes chapters with an Emerging Trends feature, laying the groundwork for the future growth of this increasingly vital profession. Written by a cross-disciplinary contributor team consisting of top experts in their respective fields.

Effective and practical security officer training is the single most important element in establishing a professional security program. The Effective Security Officer's Training Manual, Second Edition helps readers improve services, reduce turnover, and minimize liability by further educating security officers. Self-paced material is presented in a creative and innovative style Glossaries, summaries, questions, and practical exercises accompany each chapter

A complete training manual that teaches new security officers the fundamentals of the job, this book is designed to be the basis for a full training programme.

Protection Officer Training Manual, Fifth Edition is a guidebook that provides a comprehensive coverage of security practice. The book is comprised of 27 chapters that are organized into 10 units. The coverage of the text includes various security procedures, such as patrolling, traffic management, and crowd control. Security threats are also covered, including explosives, fire, and hazardous substances. The book also covers emergency or high-risk situation, such as V.I.P. protection, crisis intervention, and first aid administration. The text will be most useful to security trainee and instructors. Individuals involved in administrative and management position will also benefit from the book.

The International Foundation for Protection Officers (IFPO) has for many years provided materials to support its certification programs. The current edition of this book is being used as the core text for the Security Supervision and Management Training/Certified in Security Supervision and Management (CSSM) Program at IFPO. The CSSM was designed in 1988 to meet the needs of the security supervisor or senior protection officer. The book has enjoyed tremendous acceptance and success in the past, and the changes in this third edition, vetted by IFPO, make it still more current and relevant. Updates include 14 new chapters, 3 completely revised chapters, "Student Performance Objectives" in each chapter, and added information on related resources (both print and online). * Completion of the Security Supervision and Management Program is the initial step toward the Certified in Security Supervision and Management (CSSM) designation * Over 40 experienced security professionals contribute chapters in their area of specialty * Revised throughout, and completely updated with 14 new chapters on topics such as Leadership, Homeland Security, Strategic Planning and Management, Budget Planning, Career Planning, and much more. * Quizzes at the end of each chapter allow for self testing or enhanced classroom work

The Effective Security Officer's Training Manual, Third Edition teaches today's security officers the most important aspects of performing the job of a security officer professionally and effectively. Training is the most important element in becoming a professional security officer, but it is also often overlooked or underutilized. This straightforward, easy-to-follow, and well-organized text covers the essentials that security officers need as they face issues of growing technology and an emphasis on proactiveness and vigilance. The Effective Security Officer's Training Manual, Third Edition also covers many topics of current concern such as sexual harassment, crowd control, cultural diversity, persons with special needs, new technologies, and much more. With discussion questions at the end of every chapter and a full ancillary package accompanying the text, this manual is a comprehensive tool for developing a career as a successful and trusted professional security officer. • Meets ASIS International's guidelines for Private Security Officer Selection & Training. • Addresses the latest technological advancements that impact how today's security officers do their jobs. • Discusses the increased role security officers have in observing and reporting suspicious activities and events. • Includes end-of-chapter discussion questions to enhance understanding.
